Re: The Nawaja'a – Susiya Cluster

1. Further to your meeting with the Coordinator of Government Activities in the Territories, we would like to update you that a meeting will be scheduled with you, chaired by the Head of the Civil Administration and including all the relevant functions in the Civil Administration in order to promote an orderly solution.
2. In light of your update concerning the intention to reach a solution on this subject, please find enclosed a list of the illegal buildings constructed in violation of the orders, and which you are requested to evacuate independently.
3. We would like to clarify that pending the completion of the efforts to secure an arrangement, no further construction / additional construction and infrastructures to those existing on the site must be undertaken.
4. With best wishes,
 - Please find attached an aerial photograph marking the illegal buildings and a list of the illegal buildings.
